Annual Security Report FY 2025

CAMPUS SECURITY, CRIME AWARENESS, DRUG FREE WORKPLACE Policy

Chief Administrator Joseph Evans is responsible for preparing and distributing the Annual Security Report to comply with the *Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act* (Clery Act). The Annual Security Report is published every year by October 1st and contains three years of selected campus crime statistics and certain campus security policy statements in accordance with the Clery Act.

Seguin Beauty School's Chief Administrator's office is responsible for all components, and compliance of the Clery Act. SBS composes the Annual Security Report and statistical information with input from the local law enforcement agencies and campus officials. The documentation is maintained in the Chief Administrators office. The Crime statistics reported are obtained from the local police department in each city and the Daily Incident Log from each campus and include the geographic categories including campus property 102 East Court, Seguin, TX and 214 West San Antonio, New Braunfels, TX and adjacent public properties.

Why an Annual Security Report?

Enacted in 1990, *The Crime Awareness and Campus Security Act* was designed to assist students in making decisions which affect their personal safety and to ensure institutions of higher education provide students, prospective students, staff, and faculty the information they need to avoid becoming victims of campus crime. The *Higher Education Act of 1998* and the subsequent amendments of the implementing regulations (34 C.F.R.668.46) significantly expanded institutions' obligations under the Act. The Act was also renamed the "*Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act*" (hereafter the Clery Act).

Seguin Beauty School has adopted and implemented policies and a program regarding campus security procedures and disclosures intended to inform the campus community about the security policies, procedures and availability of programs and resources for victims of crime to seek recourse. SBS reviews its program once every two years to determine its effectiveness and to ensure that its sanctions are being enforced.

Seguin Beauty School is committed to providing students with a safe environment in which to learn and to keep parents and students well-informed about campus policies. It is hoped that the institution's comprehensive policy will help combat violence in the workplace and on campus.

Sexual Assault, Dating Violence, Domestic Violence, and Stalking

Sexual assaults (criminal offences) on campus should be reported immediately to the Chief Administrator, who will inform the victim of the right and option to notify appropriate local law enforcement authorities. The Chief Administrator will assist in notifying these authorities. No campus counseling or student services are available but the victim will be encouraged to seek services and counseling at a rape crisis center. The institution will assist in providing transportation to a hospital or rape crisis center for proper treatment. Any victim's academic schedule may be changed upon request and if accommodations are available, regardless of whether the crime was reported to local law enforcement. The institution will abide by orders of protection, no-contact orders, restraining orders or similar lawful orders issued by a criminal, civil or tribal court. If a campus disciplinary action is necessary, the accuser and the accused are entitled to the same opportunities to have others present during a disciplinary proceeding. The accuser and the accused will be informed of the outcome of such a proceeding and an explanation of the sanctions imposed following a court of law finding.

This institution has zero tolerance of such assaults; the violation of this policy by students or employees may result in suspension, while law enforcement investigations and court proceedings are being conducted, and termination if found guilty.

The Institution encourages all students and employees to be responsible for their own security and the security of others. Please report any known criminal offenses occurring on campus to the institution administration.

In the event a sex offense should occur on campus, the victim should take the following steps:

- Notify the local law enforcement authorities

Seguin Police Department 830- 401-2340 or 830-379-2123 or 911
New Braunfels Police Department 830- 221-4000 or 911

- Report the offense to the institution administration if the offense occurred on campus.
- Preserve any evidence as may be necessary to the proof of the criminal offense.
- Request assistance, if desired, from institution administration in reporting the crime to local law enforcement agencies.
- Request a change in the academic situation if necessary.

On campus disciplinary action in cases of alleged sexual assault will be based on the findings of the law enforcement agency, investigating the facts pertaining to the crime and other mitigating circumstances. Proceeding will be conducted by officials who, at a minimum, receive annual training on issues related to dating violence, domestic violence, sexual assault and stalking. Accusers and the accused can be present during any institutional disciplinary proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice. Proceedings will include a prompt, fair and impartial process from the initial investigation to the final result. Any restriction regarding the advisors participation will apply equally to both parties.

The institution's policy is to investigate the allegations and conduct a hearing within thirty days of receiving the complaint. If necessary, the institution's investigative team may need additional time in order to properly conduct a review of the alleged incident and to come to a fair conclusion; however, the institution will make every effort to expedite the review process. If an extension of time is needed to conduct the investigation and hearing for good cause, the institution will send a written notification to the accuser and the accused of the delay and the reason for the delay.

The proceedings will be conducted in a manner that is consistent with the institution's policies and transparent to the accuser and accused, which includes timely notice of meetings at which the accuser or accused, or both, may be present; provides timely and equal access to the accuser, the accused, and appropriate officials to any information that will be used during informal and formal disciplinary meetings and hearings; and that will be conducted by institution officials who do not have a conflict of interest or bias for or against the accuser or the accused. The accuser and the accused are entitled to the same opportunities to have an advisor of their choice present during the disciplinary proceeding, including the opportunity to be accompanied to any related meeting or proceeding. The institution may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties. The appropriate institution officials will meet upon the conclusion of the hearing to discuss the facts of the complaint and to render a decision. Both the accuser and the accused will simultaneously be informed in writing of the outcome and any institutional disciplinary proceeding, the opportunity for appeal and the notification of the outcome of any appeal before the results become final, and when the results of the proceedings become final. The results include any initial, interim, or final decision by the institution regarding any sanctions imposed, as well as the rationale for the results and any sanctions. In accordance with the Violence Against Women Act, the institution is required to publish the results of the hearing(s); however, the names of the individuals involved will be withheld. A student found guilty of violating the institution's domestic violence policy could be criminally prosecuted in the state courts and may be reprimanded, sent to counseling, placed on probation, suspended, or expelled from the institution for the first offense. Any information obtained during the institution's investigation process will be shared with any parallel law enforcement investigation upon receipt of a court subpoena of the institution's records. The standard of evidence used in adjudication of cases of sexual misconduct, including dating violence, sexual assault, domestic violence, and stalking, will be based on the preponderance of evidence. The institution will protect the confidentiality of the victim(s) in accordance with the law. In some cases, the institution may need to disclose some information about a victim to a third party to provide necessary accommodations or protective measures. The institution will only disclose information that is necessary to provide the accommodations or protective measures and will carefully consider who may have access to this information to minimize the risk to a victim's confidentiality. The institution will inform the victim before sharing personally identifiable information about him or her and only if it is necessary to provide an accommodation or protective measure. Compliance with these provisions of the Violence Against Women Act does not constitute a violation of Section 444 of the General Education Provision Act (20U.S.C. 1232g), commonly referred to as the Family Education Rights to Privacy Act of 1974 (FERPA). Any student or employee who reports to the institution that he or she has been a victim of domestic violence, whether the offense occurred on or off campus, shall be provided with a written explanation of the student's or employee's rights and options. No officer, employee, or agent of the institution shall retaliate, intimidate, threaten, coerce, or otherwise discriminate against any individual for exercising his or her rights or responsibilities under any provision of the Violence Against Women Act.

As part of the Crime Control and Law Enforcement Act of 1994, Seguin Beauty School makes the following links/information available to the campus community where information can be accessed regarding registered sex offenders. Also available is counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services available for victims. Seguin Beauty School submits the required crime statistics to the US Department of Education via the Campus Safety and Security Survey via website (<http://surveys.ope.ed.gov/security>) by the required annual deadline and releases the information to students and families by October 1 each year. The institution requests an outside organization to provide training annually. The training promotes awareness and prevention of rape, acquaintance rape, domestic violence, dating violence, sexual assault, stalking, and the prevention of crime, as well as gives options for reducing the risk of such offenses occurring, the warning signs of abusive behavior, and how to avoid potential attacks. The institution will bring in a local law enforcement official and or a representative from a crisis center, into the institution to provide our students and staff with knowledge, information, and resources to prevent violence, promote safety, and reduce risk by showing how to protect yourself against crime, how to be responsible for your own safety, and how to protect yourself against sexual assault. Seguin Beauty School is committed to making your institution a safe place. Some examples of safe and positive options for bystander intervention include:

- Checking in with intoxicated friends when leaving a party or event, either alone or with someone else.
- Talking with friends, classmates, teammates, and peers about intimate violence as a serious issue in the community.
- Speaking up if someone says they had sex with someone who was very intoxicated or couldn't consent.
- Expressing discomfort when someone makes a joke about or minimizes sexual or domestic violence or stalking.
- Helping a friend get home safely if they seem very intoxicated.
- Interrupting a conversation it appears someone is feeling uncomfortable or unsafe by another person.
- Helping or providing support resources to other suspected of being in a relationship that is abusive or harmful.
- Calling for help to intervene in a situation that might be dangerous or unsafe.

Risk reduction refers to options designed to decrease perpetration and bystander inaction and to increase empowerment for victims in order to promote safety and to help individuals and communities address conditions that facilitate violence.

Crimes Against Women

The HEA defines the new crime categories of domestic violence, dating violence, and stalking in accordance with section 40002(a) of the Violence Against Women Act of 1994 as follows:

 - A person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner,
 - A person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies [under the VAWA],
 - Any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction"
- "Dating violence" means " violence committed by a person –
 - Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
 - Where the existence of such a relationship shall be determined based on a consideration of the following factors:

 - The type of the relationship; and
 - The frequency of interactions between the person involved in the relationship."
- "Stalking" means "engaging in a course of conduct directed at a specific person that would cause a reasonable person to –
 - Fear for his or her safety or the safety of others; or
 - Suffer substantial emotional distress

Violations

Seguin Beauty School undertakes inquires and disciplinary hearings and renders disciplinary sanctions regarding sexual assault or misconduct in a noncriminal context. Although the definitions utilized by the institution may be similar to those set forth in the penal code and or used in a criminal court system, they are specific to Seguin Beauty School and limited to the meaning given to them by the institution. An act which might not be criminally prosecuted under either state or federal law may still violate the policies of the institution. The institutions disciplinary jurisdiction is limited to conduct which occurs on campus or which occurs off campus and adversely affects members of the institution's community.

Rape

At Seguin Beauty School, rape is any sexual penetration (anal, oral or vaginal), however slight, with any object or sexual intercourse between individuals without effective consent. Sexual penetration includes vaginal or anal penetration by a penis, tongue, finger or object and also includes oral copulation by mouth to genital contact or genital to mouth contact. Attempted rape is also prohibited under this policy.

Sexual Assault

Sexual assault is any sexual touching, however slight, with any object or with any part of the body without effective consent. Sexual assault also includes disrobing or otherwise exposing oneself to another without consent. Attempted sexual assault is also prohibited under this policy.

Sexual Exploitation

Sexual exploitation occurs when a student takes nonconsensual, unjust or abusive sexual advantage of another for his/her own benefit or for the benefit of anyone other than the one being exploited, and that behavior does not otherwise constitute rape, sexual assault, or sexual harassment. Examples of sexual exploitation include but are not limited to, prostitution, videotaping without knowledge and consent of all parties, peeping tommy, transmission of HIV or STD, or inducing incapacitation with the intent to rape or sexually assault regardless of whether sexual activity actually takes place.

Consent

Seguin Beauty School considers effective consent as informed consent which is freely and actively given; it is mutually understandable words or actions indicating a willingness to do the same thing, at the same time in the same way with each other. Mutually understandable consent is almost always viewed under an objective, reasonable person standard. The only context in which mutually understandable consent would be viewed under a subjective standard is in the instance of a long-standing relationship where a couple has established patterns of communicating consent, but even then there must still be evidence of free and knowing participation to establish consent. Consent which is obtained through the use of fraud, force (actual or implied), threats, intimidation, or coercion is ineffective consent. Consent may never be given by a minor. Mentally disabled persons cannot give effective consent to sexual activity. Physically incapacitated persons cannot give consent. One who is physically incapacitated as a result of alcohol or other drug consumption (voluntary or involuntary) or who is unconscious, unaware, or otherwise physically helpless, is incapable of giving consent.

Emergency Notification and Timely Warning

In the event a situation arises and is confirmed, either on or off campus, that, in the judgment of institution officials present and in charge, constitutes an ongoing or continuing threat (a significant emergency or dangerous situation

involving an immediate threat to the health or safety of students and employees occurring on campus), a campus-wide "timely warning" will immediately be issued by the Chief Administrator or Local Administrator.

SBS will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.

The notification will include a short description of the crime or incident, giving the time and date, location, reported offense, suspect description, and any other pertinent information used to facilitate the crime. The notification will also include personal safety information to aid members of the institution in protecting themselves from becoming victims of a similar crime. The warning will be broadcast thru the PA system to students, faculty and staff. Depending on the nature of the emergency, a decision will be made to utilize other methods or notification including posting flyers entitled 'Security Alert' on the building entrances.

Missing Student Notification

If there is reason to believe that a student has been missing (i.e., when his or her whereabouts are unknown and unexplainable for a period of time regarded as highly unusual or suspicious in consideration of the person's usual behavior, patterns, routines or plans), the person realizing that the student is missing must contact the institution officials. The institution officials will make contact with family members and or notify the local police department. The institution will notify the employees and students of the occurrence.

Emergency Response and Evacuation Plan

Each of the institution campuses consist of one building. If an outside threat occurs, the campus will be locked down until the emergency situation no longer exists. If an emergency evacuation is required notification will be made by either a law enforcement or institution official through a PA system. All affected members of the institution will follow the instructions given or the emergency plan posted in the area persons are currently located in.

On an annual basis the institution will conduct, publicize and document an emergency evacuation test drill that may or may not be announced. The evacuation test will be conducted in October at a time when most of the students, faculty and staff are expected to be present on campus. Each classroom has emergency evacuation procedures posted in the room. Please make yourself familiar with these evacuation procedures. SBS evaluates this plan annually.
